

How To Access USIU Student Mail

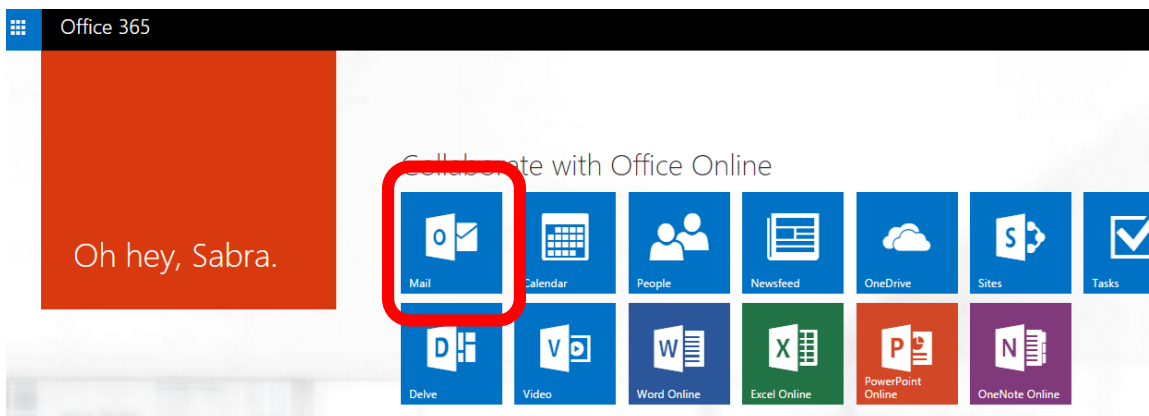

1. Type the following address on your browser's URL tab: <http://campusemail.usiu.ac.ke>. This link is also available on the USIU website under **student links**

2. Once you press enter, the browser will load the Microsoft Login Page. Key in your USIU credentials just like on blackboard e.g. pkamau@usiu.ac.ke and your password e.g. 123435.ab

3. Once you're logged in, the home page will be something similar to this.

4. To access your mailbox, where you click on the mail icon.

5. You can also access other apps from the portal such as word online, excel online, etc
